

DUFFDOG  
SEASON 2

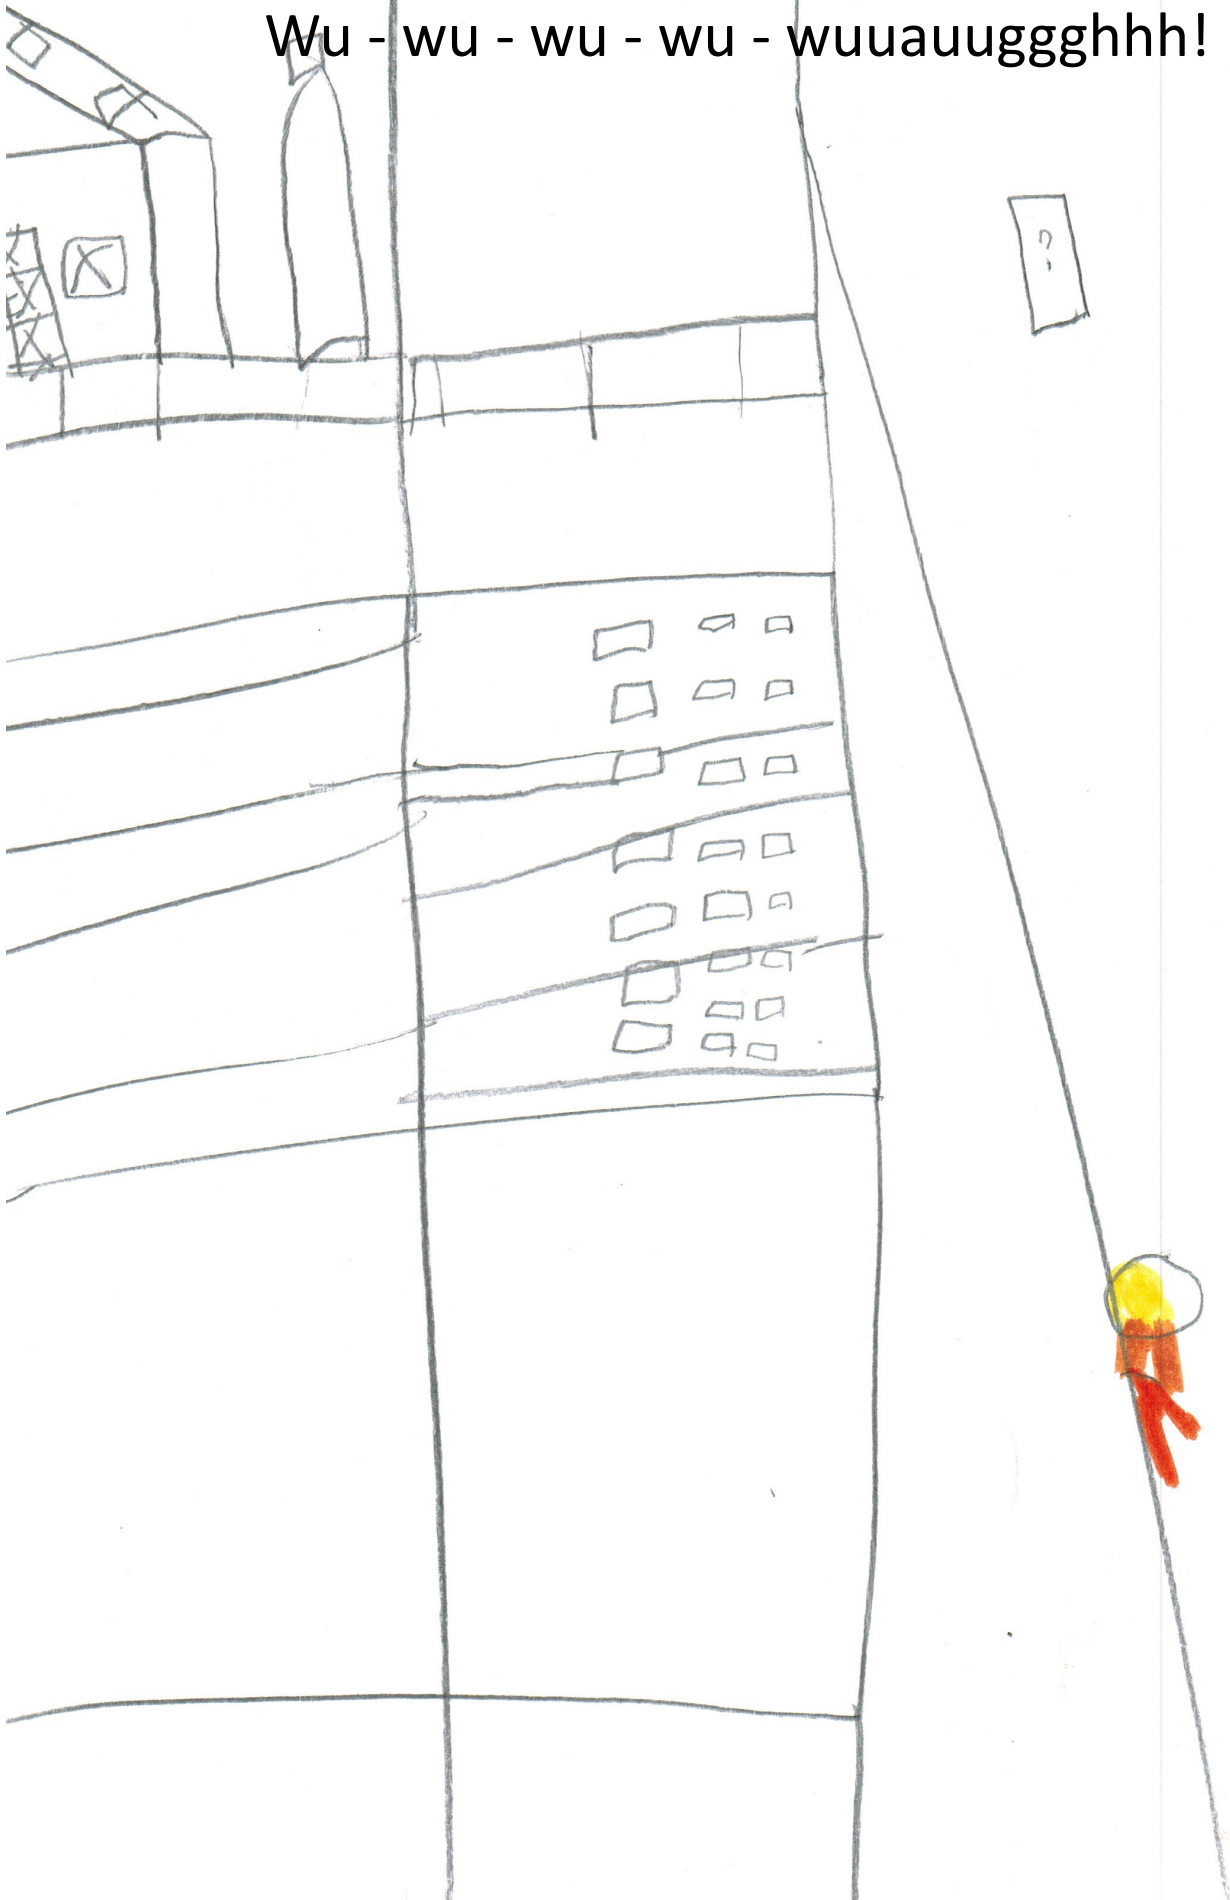

Text

Give me your money and your cash NOW!

Wu - wu - wu - wu - wuuauuggghh!

Who are you? And who do you work for?

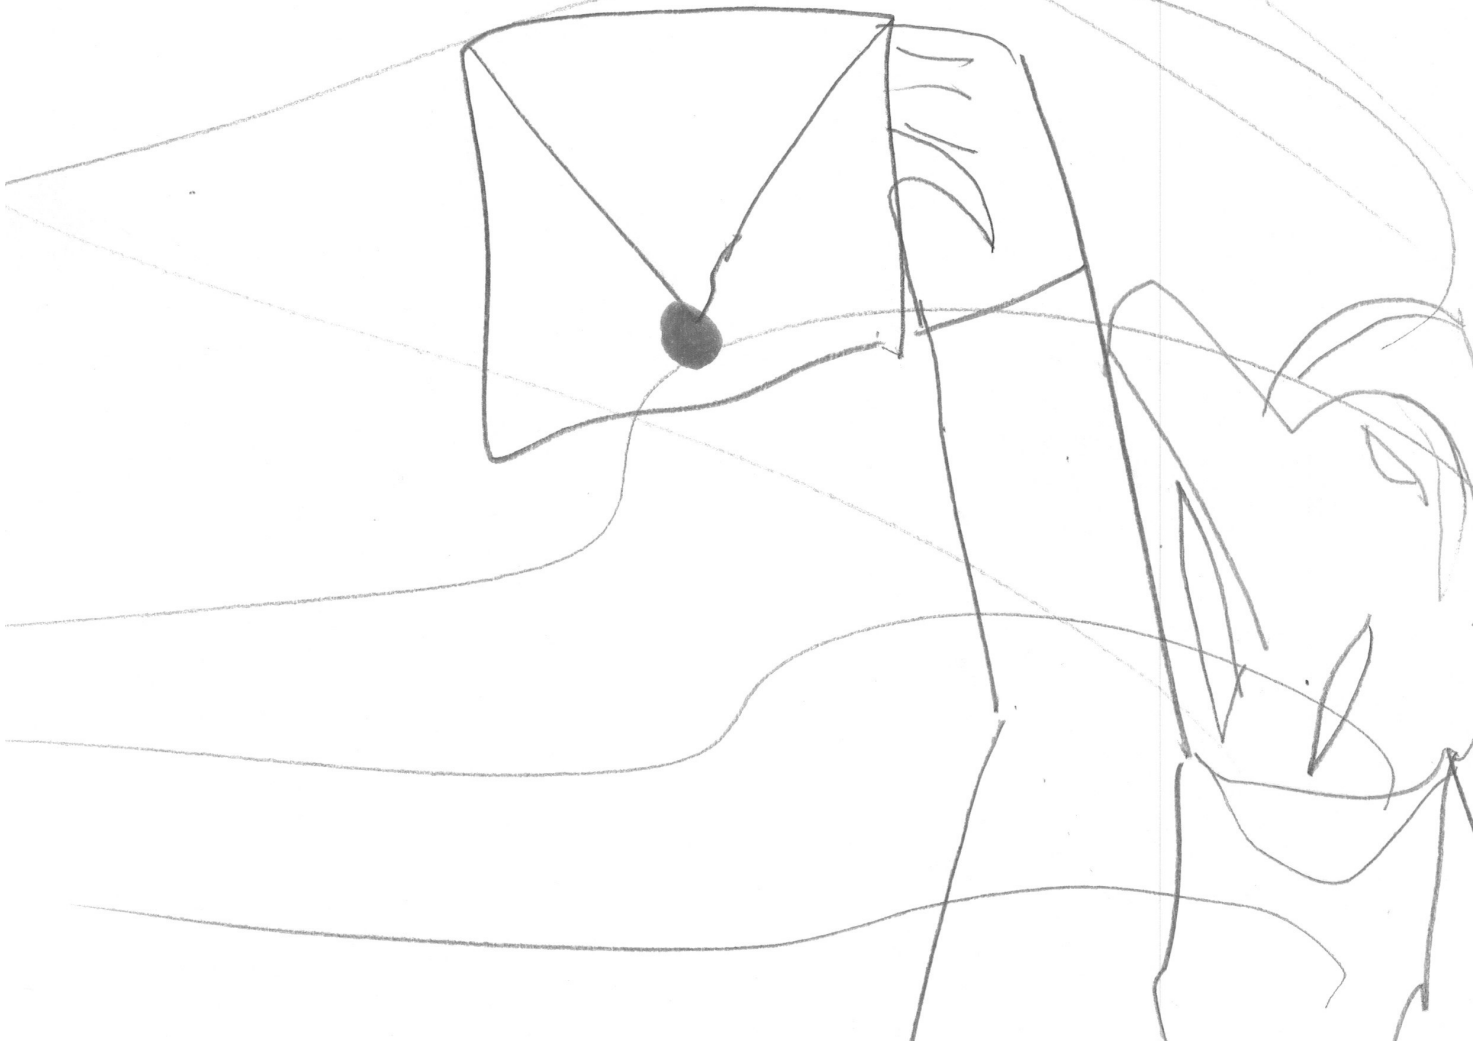

And what can you do to me?

Look; I'll give you this - this is everything you need to know. Well, it's all I know.

Thank you!

Aaaagggghhhhhh!

Hunh; soft landing. And all I pretty much got was a wedgie. And I'm on a roof. And my jacket fell off.

Dear Duff Dog,

That's right; I know your name. If you are reading this, you will be the next one to die!

Signed,

Dr. Mystery

And I think you  
will be excited  
when I come to  
you, because you  
got to prepare  
yourself for  
death.
